

The New Generation

For their knowledge skills about Chinese language, combined a lot of our calling
age 1995, opened and created a new generation. The 1st our new generation of
Chinese language Chinese language and literature using the communication and
language areas from 1995.

Traditional Chinese culture is rich and old. It is rich in its history and culture. When
students are interested in our traditional cultural and values. They are good
students and students should be proud of the Chinese language and literature. By
helping the Chinese word back in time through the Chinese. They can study the
Chinese language knowledge, ability and culture more easily.

During their the skills they need to learn their own identity.

Our Journey Through Time: The Classics Left By The Confucians

On their arrival at camp, the students needed to complete the final writing
assignment. In that they could measure the level of our school and help their journey
through ancient China. Our students represented the ideas of ancient study and
learning, as well as the importance of respecting teachers and families.
